The Event

Das **Vallemaggia Magic Blues Festival**, winner of the Swiss Blues Award 2017 and now in its 23rd edition, is a regional festival with a national and international focus that not only offers a lot of good music with international artists and young discoveries, but also something special for those audiences who are looking for the emotional dimension and for the simplicity of things, for experiences that allow them to return to the places as they once did.

When and where

The 23rd edition "NATURALLY MAGIC!" will take place from **July 11 to August 7, 2025**. Around 20 concerts featuring big names from the international blues and rock scene will take place over 9 evenings on Wednesdays and Thursdays in the picturesque squares of the Vallemaggia villages.
